Emergency Response and Evacuation Procedures

The Emergency Response and Evacuation Plan establishes procedures that will be employed when there exists the potential for an emergency condition, such as severe weather; an emergency situation has occurred or is occurring; or in any situation where it is necessary and beneficial for the operations of WMA to be conducted out of a single location. In order to ensure the various procedures will work in an emergency situation, WMA participates in drills and exercises that include campus personnel as well as local, county, and state public safety agencies.

The college has several methods in place for communication with faculty, staff, students, and media regarding any emergency on campus and has established an emergency mass notification system, known as “Wentworth Alert” on WMA’s home campus and at each of its remote attendance sites. Complete details about the Emergency Response Plan and the Wentworth Alert System are available from the Vice President for Operations, Second Floor, Administration Building, Wentworth Military Academy and College, (660) 259-2221.

Missing Person Policy

In accordance with the Higher Education Act of 2008, all students who reside in on-campus housing may identify an individual who will be contacted by College or law enforcement personnel after it has been determined that the student is missing. If campus security officials determine that a student for whom a missing person report has been filed has been missing for more than 24 hours, then within the next 24 hours, they must: notify the individual identified by the student to be contacted in this circumstance; notify a parent or guardian if the student is under 18 years old; and notify law enforcement. If at any time foul play is suspected or suspicious circumstances are uncovered, the Vice President for Operations, the Superintendent, and law enforcement officials will be contacted immediately. The complete policy is available from the Vice President for Operations, Second Floor, Administration Building, Wentworth Military Academy and College, (660) 259-2221.
Sex Offender Registration and Community Notification
Under provisions of the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act (Wetterling Act), any person who is required to register under a state sex offender registration program must notify the state when he or she enrolls or is employed at an institution of higher education, and must also notify the state of any change in enrollment or employment status. Sex offender registration information is to be transmitted from each state to the law enforcement entities where the registered sex offenders reside. In Missouri, the sex offender list is maintained at the county level. The Missouri Highway Patrol Registry Sex Offenders List is available at: http://www.mshp.dps.mo.gov/MSHPWeb/PatrolDivisions/CRID/SOR/SORPage.html. It is the best source for those wishing to be informed of registered sex offenders who reside in or near Lafayette County.

Effect of Withdrawal on Title IV Aid
The law specifies how Wentworth Military Academy and College determines the amount of Title IV program assistance that a student has earned if withdrawing from school. The programs covered by this regulation include the Federal Pell Grant, Federal Direct Stafford and PLUS Loans, and Federal Supplemental Educational Opportunity Grant.

When a student withdraws from all classes during a term, the amount of Title IV program assistance that has been earned up to that point is determined by a specific formula. That formula incorporates a last date of attendance. Wentworth College requires its instructors to take attendance for each class session. Attendance is recorded and is used to determine the date the student last attended. If the student or parent received (or WMA received on their behalf) less financial aid than the amount that was earned, it may be possible to receive those additional funds. However, if the student received more aid than was earned, the excess funds must be returned by the school.

If the student did not receive all of the financial aid that was earned, a post-withdrawal disbursement may be available. If this includes loan funds, Wentworth must obtain permission before disbursement. The student may choose to decline some or all of the loan funds rather than incur additional debt. Wentworth may use all or a portion of post-withdrawal grant aid to cover remaining school tuition, fees, and room/board charges.

There may be Title IV program funds scheduled for disbursement that cannot be received after the student’s withdrawal because of other requirements. For example, first-time borrowers who did not complete 30 days of the term prior to withdrawal, will not receive any Direct Loan funds.

If the student or parent receives (or Wentworth receives on their behalf) excess Title IV program funds that must be returned, Wentworth must return a portion of the excess aid that is equal to the lesser of:
1) institutional charges multiplied by the unearned percentage of funds, or
2) the entire amount of excess aid
Using the Return to Title IV Funds (R2T4) formula required by the U.S Department of Education, the Financial Aid Office will determine the respective aid amounts to be returned and inform the student by letter. Any amount of unearned grant funds to be returned is called an overpayment. The maximum amount of a grant overpayment that must be repaid is one half of the grant funds received. The student must make arrangements with the school or the Department of Education to return unearned grant funds. Loan funds (including PLUS) are repaid in accordance with the terms of the promissory note.

Students who have financial aid questions can contact the Wentworth Financial Aid Office or call the Federal Student Aid Information Center at 1-800-433-3243. Information is also available online at [https://studentaid.ed.gov/](https://studentaid.ed.gov/)

**Wentworth Refund Policy / Amounts Owed**
The Return to Title IV Funds (R2T4) calculation is separate from the Wentworth College refund policy. Therefore, students may still owe money to Wentworth for unpaid institutional charges. Wentworth may also charge the student for any federal aid funds that the school was required to return, resulting in an outstanding account balance.
