

# EARLY COMMISSIONING PROGRAM (ECP) SCHOLARSHIP SUMMARY SHEET

Your path towards a commission as a Second Lieutenant

**ARMY ROTC**  
LEADERS FOR LIFE

The Early Commissioning Program (ECP) is tailored for those individuals who wish to earn their commission in two years. Applicants who meet the eligibility requirements below are able to compete for the Military Junior College (MJC) Scholarship.

Recipients of the MJC scholarship must also simultaneously serve in the National Guard or Army Reserve as Cadets during their time at Wentworth. In the ECP, once you complete your Associate's Degree and earn your commission at Wentworth, you have 36 months to finish your Bachelor's Degree at a follow-on, four-year school of your choice.

During that time you will serve as an officer in the National Guard or Army Reserve. Upon receiving your Bachelor's degree you may request to serve on Active Duty or stay in the National Guard or Army Reserve.

## Your college timeline:
