

Wentworth Military Academy & College

College Policy

Department:	College	Policy Number:	
Title: Program Reviews			
<p>1. The Academic Department Heads will conduct a review of all active college degree programs at least once every 5 years, beginning with the summer of AY 2010-2011. As a minimum, the review will determine, for each academic program, whether:</p> <ul style="list-style-type: none">a. The degree program should be continued.b. Any substantive changes should be made to the degree requirements for the program.c. Any changes should be made to the required college level learning outcomes for the program (added in AY 12-13) <p>2. The Department Heads will also make recommendations regarding any new degree programs to be offered.</p> <p>3. During the five year period between formal program reviews, additional reviews of all or individual programs may be conducted, if deemed necessary by the Academic Dean.</p> <p>4. Results of all reviews will be archived and posted with assessment evidence on the college website.</p>
