

## DEGREES AWARDED AND TRANSFER SUCCESS

One nearby four-year university, the University of Central Missouri, has kept track of the percentage of Wentworth students who are evaluated as "Proficient" upon entry.

# 97% Proficient

From 2014-2016, 97% of all WMAC graduates transferring to the University of Central Missouri are considered proficient by UCM. This is 230 of 237 transfers in three years.

### Degrees Awarded Latest Three Years by Ethnicity and Gender

**Abbrev**    IPEDS Categories (As used by the U.S. Department of Education)

- |   |  |
|---|--|
| NRA    Nonresident Alien                    | NH, OPI    Native Hawaiian or Other Pacific Islander |
| H, L    Hispanic or Latino                  | W    White   |
| AI, AL    American Indian or Alaskan Native | 2+    Two or more races                              |
| As    Asian                                 | Unk    Race and ethnicity unknown                    |
| B, AA    Black or African American          |  |

The difference in male, female degrees awarded relates, in part, to the fact that there are more male students.
